

Dayapuram Arts and Science College for Women

(Affiliated to the University of Calicut)

Department of Commerce & Management

Founded in 2002, Commerce and Management Department is one of the oldest and biggest departments of Dayapuram College. The department enables students to understand the ways in the world of commerce with special focus on finance and train them to be good at the lessons in management.

Courses Offered

Bachelor of Commerce with Finance

A three year course that prepares students who are interested in accountancy, finance management and commerce in a practice-based manner, B.Com is best suited for students who have taken Commerce as a subject in their plus two and are looking to be either in accountancy-related fields or want to continue with M.Com and go into teaching or academics.

Bachelor of Business Ad- ministration

This three year course is most advocated for students who are interested in management and commerce but didn't have commerce till their plus two. The course is taught in an industry-oriented manner and is now working towards a business school approach to the subject. For those who want to go into M B A or work with Human Resource Management, this course will be quite useful.

Master of Commerce (Finance)

A two-year Masters' Course for those who are interested in an in-depth study of commerce to prepare them for teaching or go into research.

Activities

The department expects students to be deeply involved in the curricular and extra curricular clubs, college committees and in the student bodies.
